WAAPA Bachelor of Music

OUTSTANDING STUDENTS, BRILLIANT STAFF, SUPERB TRAINING

“Studying classical music at WAAPA was instrumental in preparing me for a successful career with the Sydney Symphony Orchestra. It gave me all the tools to succeed - and the atmosphere of other students studying jazz, music theatre and dance meant that we were constantly enthused and enriched. It was the most amazing melting pot of creativity I could ever have imagined!” – Anthony Heinrichs, Trumpet, Sydney Symphony Orchestra
