Concerto Day is an excellent opportunity for students to experience rehearsing and performing with an ensemble. To participate in Concerto Day, students will need to register at <https://www.trybooking.com/395809> and nominate their preferred concerto.

Please note that some concertos can be run as a mass concerto with many students playing the same work simultaneously, however most concertos will be first in, best dressed. Students will only be able to perform one movement.

The orchestra will be comprised of AUSTA ACT members and other adults or advanced student volunteers. On the 9th of September rehearsals will be scheduled in timeslots from 9.30am where students will be able to rehearse with the orchestra. It is expected that students will have rehearsed their concerto with an accompanist at their own expense prior to Concerto Day to ensure that they are confident playing with accompaniment.

The day will conclude with a concert at 3.30pm where students can perform their concerto movement to friends and family.
