

AUSTA European Tour 2019

Wednesday 18 September – Saturday 5 October 2019 - 18 Days

Summary

All hotels are 4 star. All breakfasts, a welcome dinner, and a farewell dinner are included. We have been assured that the quality of accommodation is excellent.

Importantly, the cost of the venue hire and organisation is included in the overall cost. Each tour member will now only need to pay a small administration and contingency fee to AUSTA of \$100 for each person. The concert venues will also be confirmed closer to the time of the tour. We are now working with ACFEA, a very experienced company with proven track record. They are based in the United Kingdom and will be securing some lovely concert venues with very appreciative audiences. All hotels, concert venues and actual days of the concerts will be confirmed closer to the time of the tour. For the entire tour we will also have an English speaking guide, fluent in French, German and Hungarian, so that everything will run smoothly.

At this stage, please do not book other small ground tours until the concert and free days have been determined, which should be 60 days before the tour starts at the very latest.

PROPOSED PACKAGE COST

These prices may actually be less depending on the numbers participating. Professional musicians will be able to claim all expenses as a tax deduction as this is considered as PD. Please note that prices quoted are subject to availability at the time of booking and may change up to the time of final payment due to currency fluctuations. AUSTA National will be collecting all the Tour Fees, which will be directly passed on to our tour operators.
