Musical Sight-Reading Development for String Students (AMEB Grade 2+)

Conducting Tips and Tricks for Teachers!

The *String Orchestra Big Play* is a unique opportunity for students to expand the essential skills of musical reading and ensemble playing, and for teachers to learn new strategies, tools and games for conducting more productive and effective rehearsals. Louise Butler has been teaching the cello for over 47 years, played professionally in the Canberra Symphony Orchestra and has conducted youth string orchestras since 1990. Louise's presentations and workshops have reached string players across Australia and she often writes pedagogical articles for *Stringendo* magazine.
