THE HUTCHINS SCHOOL  
71 NELSON ROAD, SANDY BAY

**\$5 PER ENTRY – BOOKINGS RECOMMENDED!**

*Discover music!*

*Two-Part Invention* is an exciting Violin-Viola Duo inspiring children to connect with music. We have performed in a variety of community centres, schools and kindergartens throughout Western Australia presenting quality live music through a variety of mediums including story-telling, audience and aural skills, listening games, imagination challenges and the chance to try out child-sized violins. As well as being beneficial for students, our concerts have motivated the start of future string students, some inspired kindergarten "graduates" even progressing to tertiary music studies, ANAM and even recently, performing in the Berlin Philharmonic.
